OFFICE OF PETITIONS ON PETITION

This is a decision on the petition filed April 5, 2002 requesting that the above-identified application be granted a filing date of December 11, 2001.

The application was filed December 11, 2001. On February 22, 2002, the Office of Initial Patent Examination mailed a Notice of Omitted Item(s) in a Nonprovisional Application ("Notice") advising applicant that the application had been accorded a filing date but that Figure 5 described in the specification appeared to have been omitted from the application.

In response, petitioner argues that the application as deposited included Figure 5 and has included as proof of receipt of Figure 5 a return postcard date stamped December 11, 2001 by the Office acknowledging receipt of five (5) sheets of drawings. Petitioner has also provided a copy of Figure 5 purportedly filed December 11, 2001.

The original Figure 5 submitted with the application papers has not been located. However, in view of the evidence presented, the Notice mailed February 22, 2002 is hereby **WITHDRAWN** and the petition to accord the application a filing date of December 11, 2001 is

Since the original Figure 5 cannot be located in the Office, the copy supplied with the instant petition will be used for examination

No fee is due in connection with this matter. Petitioner may request a refund of the previously submitted petition fee of \$130.00 by writing to the Finance Office, Refund Section. A copy of this decision should accompany any request for refund.

This application will be returned to the Office of Initial Patent Examination for further processing with a filing date of December 11, 2001.

Telephone inquiries related to this decision may be directed to Petitions Attorney Alesia M. Brown at (703) 305-0310.
